Are you getting the best value from your current professional liability insurance program?

Finding the right professional liability coverage is a growing problem for many engineering firms today. Make the wrong choice and pay too much. Or worse get saddled with limited coverage that can potentially put partners, directors and employees at unacceptable risk.

Save yourself the headache ... Join 920 of your fellow ACEC members and take advantage of the benefits and freedom of the ACEC BIT Insurance Program.

Consider ACEC BIT Professional Liability Insurance for these reasons:

- **Coordinated Coverage**—Access to seamless brokerage/consulting service across insurance lines preventing gaps in coverage or costly duplication of coverage.
- **Customized Coverage**—The ACEC BIT understands the issues you face every day and knows that a one-size-fits-all approach doesn't work for engineering firms. Your business risks are unique and your professional liability coverage should be too.
- **Choice of Provider**—A streamlined quoting process facilitates you securing the coverage and price that best suits your unique requirements. Multiple PLI carriers—all with A or higher A.M Best ratings—offer top-notch professional liability coverage tailored for engineering firms.
- **Outstanding Service**—Dedicated Marsh and ACEC BIT sales and service teams are very familiar with the unique exposures of engineering firms and their only responsibility is assisting ACEC Program policyholders. Through the ACEC BIT Program, Marsh provides PLI to more ACEC Member firms than any other broker.

Why settle for professional liability coverage that costs too much?

In the past year alone, over 75 ACEC firms realized significant premium savings by joining the ACEC BIT PLI Program. If your current professional liability insurance will expire during the next 60 days, call Jeff Connelly of the ACEC BIT Team to get your no-obligation quote TODAY!

Let us be your solution for professional liability coverage.
