

The Future Leaders Forum (FLF) presents...

One APWA Red Book on Qualifications-Based Selection included for each firm registration.

QBS Educational Workshop for A/E Firms

Hear from the experts on how revised QBS process should be used

with ACEC Oregon Legislative Committee Chair, Sue Laszlo, PE, HDR Engineering, Inc. and ACEC Oregon Immediate Past President Troy Bowers, P.E., Murray, Smith & Associates, Inc.

On January 1, 2012, HB 3316 took affect and requires Qualifications-Based Selection (QBS) for the procurement of engineers, architects, land surveyors, photogrammetrists and transportation planners. This will be a change for many A/E firms as QBS was previously only required when certain thresholds were met. Now, HB 3316 requires QBS for all projects in Oregon.

This program will provide an overview, including:

- Oregon laws and rules for QBS
- When should QBS be applied?
- How to utilize the revised QBS process
- What other agencies are affected? (*i.e., school districts and water districts*)

Good for 1½ CPD credits!
