

ACEC Oregon

AMERICAN COUNCIL OF ENGINEERING COMPANIES OF OREGON

The new 2011 Salary & Benefits Survey is now available!

This is the only survey of its kind which exclusively covers consulting engineering firms in Oregon and Clark County, Washington.

- Salary data reported is effective as of September 1.
- The 2011 report contains data from 56 ACEC Oregon member firms.
- This year (2011), 83% of firms with 16 or more employees participated.
- Firms reporting are located primarily in the Portland-metro area, but also include firms in the Eugene area, Bend and elsewhere throughout the state and Clark County, Washington.

The report consists of two main sections:

- The **Salary section** contains data for 39 positions broken down by three sizes of firms (small, medium, large). Responses from at least three firms were required in order to provide complete salary data for a specific position.
- The **Benefits section** contains data from responses to questions in the following areas: paid time off, annual vacation, holidays, sick leave, other leaves, insurance, qualified pension and profit sharing plans, cash bonus, recruiting costs, other benefits, and firm discipline.
