**From Doer to Leader: Lessons Learned**

Our leadership series culminates with a lively and candid session, featuring stories and insights from senior leaders on how to transition from doer to leader. This facilitated session gives participants a chance to ask industry leaders questions concerning industry, practices and management. Includes a review of key takeaways from past classes, and group problem solving and sharing strategies.

**ABOUT THE SENIOR LEADERS**

Brad Hermanson, PE, PMP, Hart Crowser, Inc.

Brad is firmwide manager for Hart Crowser’s 40-person Environmental Sciences and Engineering Business Unit, and also manages Hart Crowser’s Portland office. He is a chemical and environmental engineer, and Project Management Professional (PMP®) with 30 years of consulting experience as a project manager, program manager, and process engineer for industrial and government clients.

All Committee Country Western Dinner

Howdy, pardners!

WANTED: MEMBERS TO COME SUPPORT YOUR COMMITTEE!

Join us for fun, food & festivities!

SCHEDULE
5:00 P.M. – Social
6:00 P.M. – Dinner
6:30 P.M. – Taking care of business

WHERE
Multnomah Athletic Club
1849 SW Salmon Street
Portland, OR 97205

Catch up on ACEC Oregon news, hear brief committee reports and vote on the 2018-19 budget.

The newly elected board of directors also will be inducted.

This is a great event to gain a good overview of the organization. It’s also an excellent event for networking with leaders and up-and-comers of Oregon and southwest Washington engineering companies.

Western attire encouraged!

A BIG THANK YOU TO OUR SPONSORS!
ACEC National Tax Reform Resource Center

ACEC National has a new resource on their website to provide members with a one-stop portal for information on implementation of the Tax Cuts and Jobs Act of 2017.

The Tax Reform Resource Center includes links to the new law, a summary of provisions of key importance to the engineering industry, and other resources. Implementation guidance from the Treasury Department is starting to emerge, and is expected to increase in the coming weeks. We will alert the membership on a regular basis as major elements of the implementation guidance are released.

Please contact Katharine Mottley, kmottley@acec.org, or Steve Hall, shall@acec.org, with any questions on the new law.

ACEC Oregon Scholarship Fund

OBEC pledges $2,500 annually, ongoing, for named scholarship

The ACEC Oregon Scholarship Committee awards $2,500 per year to undergraduate engineering students attending Oregon colleges and universities. The annual recipient may remain on scholarship for four years as long as they meet the eligibility criteria.

The scholarship was created to encourage incoming freshmen to choose engineering as a major and to promote the consulting engineering profession.

The ACEC Oregon Board of Directors and Scholarship Committee are asking member firms to boost the profession with a gift to the scholarship fund.

Please consider joining your fellow member firms in creating a named scholarship for $2,500, or making a donation to the general fund.
