ACEC National Tax Reform Resource Center

One-stop portal for info on implementation of the Tax Cuts and Jobs Act of 2017

From Doer to Leader: Lessons Learned – May 2

ACEC Oregon Scholarship Fund

OBEC pledges \$2,500 annually for named scholarship

ACEC National Tax Reform Resource Center

ACEC National has a new resource on their website to provide members with a one-stop portal for information on implementation of the Tax Cuts and Jobs Act of 2017.

The Tax Reform Resource Center includes links to the new law, a summary of provisions of key importance to the engineering industry, and other resources. Implementation guidance from the Treasury Department is starting to emerge, and is expected to increase in the coming weeks. We will alert the membership on a regular basis as major elements of the implementation guidance are released.

Please contact Katharine Mottley, kmottley@acec.org, or Steve Hall, shall@acec.org, with any questions on the new law.

**WED
May 2**

SCHEDULE

7:30 A.M. – Check-in and breakfast
8:00 A.M. – Program begins
10:00 A.M. – Conclusion

WHERE

David Evans and Associates, Inc.
2100 SW River Parkway
Portland, OR 97201

From Doer to Leader: Lessons Learned

Our leadership series culminates with a lively and candid session, featuring stories and insights from senior leaders on how to transition from doer to leader. This facilitated session gives participants a chance to ask industry leaders questions concerning industry, practices and management. Includes a review of key take-aways from past classes, and group problem solving and sharing strategies.

Good for 2.0 continuing professional development credits!

ABOUT THE FACILITATOR

Leo MacLeod | Training | Coaching | Pie

Leo returns as facilitator of this session. He is a leadership and communication coach, who helps companies identify and develop future leaders. Leo is the past president of the American Marketing Association Oregon and speaks nationally on leadership for ACEC and Construction Management Association. He lives in Portland, and yes, makes a mean pie. More info: www.leomacleod.com.

Eligibility/Requirements:

- Must be either a graduating high school senior (including GED students and home-schooled seniors) or have had no previous college education.
- GPA: 3.30+
- SAT score: 1800+ combined SAT scores or ACT composite of 28+
- Major: Civil, electrical, environmental or mechanical engineering. Excludes computer and biomedical engineering.
- Career field (preference): Applicants interested in the consulting engineering profession.

ACEC Oregon Scholarship Fund

OBEC pledges \$2,500 annually, ongoing, for named scholarship

The ACEC Oregon Scholarship Committee awards \$2,500 per year to undergraduate engineering students attending Oregon colleges and universities. The annual recipient may remain on scholarship for four years as long as they meet the eligibility criteria.

The scholarship was created to encourage incoming freshmen to choose engineering as a major and to promote the consulting engineering profession.

The ACEC Oregon Board of Directors and Scholarship Committee are asking member firms to boost the profession with a gift to the scholarship fund.

Please consider joining your fellow member firms in creating a named scholarship for \$2,500, or making a donation to the general fund.

Click [HERE](#) for a pledge form, or contact mwebber@acecOregon.org.

We are pleased to announce the **OBEC CONSULTING ENGINEERS SCHOLARSHIP**. OBEC has pledged \$2,500 annually, ongoing. THANK YOU!
