WHO SHOULD ATTEND

This series is ideal for project managers, designers and engineers who are:

[2018-19 Leadership Development Series](#) – starts Oct 3

Master the skills you need to accelerate your career!

A series of seven seminars that provide local, affordable and accessible means to train key staff. Presenters are comprised of local and national experts who are acknowledged leaders in their areas of expertise. The seminars utilize a small group setting to maximize learning, interaction and exchange of ideas.

- Interested in a leadership track in their career
- Shifting their focus from projects to organizational and financial goals of the firm
- Challenged by competing priorities
- Being asked to take on more responsibilities with the same resources
- New to managing multiple or complex projects
- New to managing people and teams

SERIES FEATURES

- Expert curriculum offering training for emerging leaders and project managers
- Network with key industry professionals
- Earn continuing professional development credits and recognition from ACEC upon course completion

COURSE OUTLINE – At-A-Glance

1. Oct 3 Enhancing Leadership Versatility and Personal Effectiveness
2. Nov 7 Managing Time and Relationships
3. Dec 5 Business Development
4. Feb 6 Political Involvement & QBS
5. Mar 6 A/E Firm Financial Management
6. Apr 3 Profitability and Risk Management in Engineering Practice
7. May 1 From Doer to Leader: Lessons Learned

AMERICAN COUNCIL OF ENGINEERING COMPANIES
POLITICAL ACTION COMMITTEE

**2018 ACEC/PAC
Summer Sweepstakes**

Get in on this great sweepstakes!

ACEC/PAC is the engineering industry’s primary tool for political engagement at the national level.

Your support is critical to advancing policies at the national level that benefit the engineering industry and help elect pro-business men and women from both political parties to Congress who understand the importance of engineering business issues.

Thank you to the following firms for their recent donations to the scholarship fund:

Consider joining your fellow member firms in creating a named scholarship for \$2,500, or making a donation to the general fund

The ACEC Oregon scholarship was created to encourage incoming freshmen to choose engineering as a major and to promote the consulting engineering profession.

The Scholarship Committee awards \$2,500 per year to undergraduate engineering students attending Oregon colleges and universities. The annual recipient may remain on scholarship for four years as long as they meet the eligibility criteria.

The ACEC Oregon Board of Directors and Scholarship Committee are asking member firms to boost the profession with a gift to the scholarship fund.

Click [HERE](#) for a pledge form, or contact mwebber@acecOregon.org.
