WHAT IS ENGINEERING EXCELLENCE?

The Engineering Excellence Awards (EEA) is an annual design competition that recognizes engineering achievements which demonstrate the highest degree of merit and ingenuity. The awards competition spotlights engineers as problem-solvers. For more than 50 years, hundreds of consulting engineering firms have entered their most innovative designs in state competitions.

Financial Wellness:

Benefits of the ACEC Retirement Trust – January 12

Engineering firms are often unaware of the significant legal risks associated with retirement plans. Do you know of the potential personal liability for you and your firm?

Learn how the ACEC Retirement Trust (RT) assumes the majority of the fiduciary risk so you're protected. Your employees save with high-grade investments at lower fees thanks to the RT's huge buying power. We handle it all from employee education to plan administration.

Find out how the ACEC RT's all-inclusive solution becomes a competitive edge for you in attracting and keeping the best employees as they attain "financial wellness" for today and tomorrow.
