PARKING

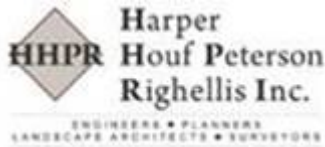

Complimentary event parking is available in the Multnomah Athletic Club's garage, but may reach capacity and is not guaranteed for all attendees. The main parking structure may not be available for event guests due to capacity needs for MAC members. However, the MAC is often able to direct guests to alternative parking facilities nearby. To avoid confusion, please inform your guests that they may be directed by the MAC's parking security guides to overflow facilities and that parking spaces may be limited. Or, avoid any parking hassles and take MAX.

**Support state legislators that support ACEC!**

One of the most direct ways to prepare for the 2019 session is to give financial support to legislators and candidates who share our vision for Oregon. ACEC Oregon PAC, our state level political action committee, is where we pool funds to support candidates and proven legislators. **These funds are a key ingredient to our continued success by helping to keep good legislators in office. All these funds stay in Oregon and are used in legislative races.**

The funds in the ACEC Oregon PAC are limited, valuable and specifically used to support ACEC Oregon issues. Our pledge is to follow a bi-partisan approach that allows us access and helps pave the way to success.

Currently more than 100 Oregonians are seeking election to key legislative seats and the Governor's office. **Now is the time to help elect like-minded candidates who will support our goals.**

**CONTRIBUTE ACCORDING TO THE FAIR SHARE FORMULA**

The board of directors has made funding the ACEC Oregon PAC a priority and is asking each member firm to contribute at least \$20 per Oregon employee, with a suggested \$200 minimum, to the state PAC for our legislative efforts.

**[CLICK HERE TO CONTRIBUTE NOW!](#)**

*Oregon law allows unlimited corporate contributions to the state PAC.*
