**[A/E Firm Financial Management](#)**

Gain a high-level understanding of the principles of financial management at successful A/E firms, including how to:

- Drive strong firm-wide financial performance
- Focus on what really matters when reviewing financial statements
- Negotiate profitable projects
- Manage financially-successful projects
- BONUS: Best Practices to Ensure DOT Overhead Rate Approval

This 2½ hour session will be particularly helpful for engineers who are interested in pursuing a firm-wide leadership position down the road, or simply wanting to provide value-added business support to your clients and firm.

Good for 2.5 continuing professional development credits!
