Coba's Capitol Comments

The legislative session is in full swing with 100% virtual hearings and no public allowed in the capitol. It is a unique and different feel but the same frenzied pace.

All things related to the Oregon Legislature can be found here: [Oregon State Legislature \(oregonlegislature.gov\)](http://oregonlegislature.gov)

SB 213, the duty to defend legislation sponsored by ACEC and AIA, has not been scheduled for a public hearing yet but we expect that it will be sometime in the first month of session.

ACEC Oregon's Legislative Committee met last week and will meet again on February 4 at 7:30 A.M. **Lindsay Baker**, the ODOT Governmental Affairs Director, will attend and share her perspective.
