Immediate Past President,
Quincy Engineering**

Good for 2.0 continuing professional development credits!

Political Involvement & QBS

Elected and appointed government officials influence the overall business climate and an individual firm's success. Business leaders need to know how to participate effectively in the public arena and build consensus. They also need to understand how government affairs activities can help their business succeed and how to encourage active participation at the grassroots level in the firm.

This session also includes an overview of Qualifications-Based Selection (QBS).

**WED
March 7**
