LAST CHANCE!

Don't miss the biggest event of the year.

Engineering Excellence Awards dinner – January 16

More than 300 members, clients and guests are already registered.

Join us in honoring the fine work performed by Oregon and southwest Washington engineering firms. There are 27 project entries this year.

Individual seats are \$100 each.

To register, click [HERE](#).

Or, contact mwebber@acecOregon.org and she'll gladly register and invoice you.

Please **let us know in advance of any special dietary needs**; [inquire](#) for the menu.

Dress is business attire | Cash bar only | ATM on site

PARKING - Complimentary event parking is available in the Multnomah Athletic Club's garage, but may reach capacity and is not guaranteed for all attendees. However, the MAC is often able to direct guests to alternative parking facilities nearby. Or, avoid any parking hassles and take MAX.

THANK YOU, SPONSORS!

Welcome new members!

Burgess & Niple, Inc.

The firm designs roads, buildings, bridges, sewers and treatment plants. They inspect, study, develop and plan. They have pioneered new technologies and techniques—including breakthroughs in water treatment and new approaches to bridge inspection. Firm rep is **Mark Bernhardt**. Other key personnel include **Edward Cinadr** and **William Strehler, PE**.

DJ&A, P.C.

Since being founded in 1973 by former Forest Services employees, DJ&A has continuously served the needs of federal land management agencies. DJ&A is a qualified small business that offers large engineering and surveying firms an exceptional small business teaming partner on federal contracts for three primary reasons: Significant federal work experience; Considerable capacity and diversity of services; and, Impressive record of performance. Firm rep is

Christopher Anderson. Other key personnel includes **Dan Lautzenheiser, PE.**

Land Mark Surveying, Inc.

The firm provides land surveying and construction staking services. Their client base ranges from individual land owners and private developers to municipal, state and federal agencies. The firm assists clients by providing accurate boundary determinations, terrain models and existing condition surveys for land owners, engineers, architects and project layout for construction contractors.

Firm rep is **Mark Heimbürger, PLS.** Other key personnel includes **Bartt Heichel, PLS.**

ECONorthwest

The affiliate member firm provides urban economics, market analysis, economic forecasting, fiscal impact analysis, and development finance services. These services are utilized to help clients prepare for changing market conditions as they create land use policy, finance new development projects, or implement infrastructure funding strategies for growth. Firm rep is **Allison Tivnon** and alternate is **Matt Craigie.**
