ACEC Oregon's PAC Champion

**Tony Roos, Kittelson &
Associates, Inc.**

ACEC National PAC: We made our goal for 2015!

Over the years, we've heard a lot of our members question the importance of ACEC/PAC. If you really don't believe that there are challenges in Congress that threaten our business every day, then take a couple of minutes click on this link (<http://www.c-span.org/video/?c4558727/grace-napolitano>) and watch the video.

There are forces in Congress who believe that government should do everything! Our business is under assault from many who think that government should design everything....roads; bridges; water; wastewater; federal, state, city & county buildings and more!

ACEC Oregon, ACEC, and the ACEC/PAC protect your business! Without all of our efforts, the public employee unions very well may have been successful in REQUIRING INSOURCING in the FAST Act as well as REPEALING Qualifications-Based Selection (QBS). But, with the combined strength of ACEC Oregon (and the other states), ACEC, and the ACEC/PAC, we were able to defeat these proposals which could have put us out of business!

Thank you ACEC/PAC donors!

I'd like to thank and recognize all of the ACEC Oregon members who made personal contributions to ACEC/PAC in 2015:

Tina Adams Casso Consulting, Inc.

Celeste Alvarez Murray, Smith & Associates

Mike Baker David Evans and Associates

Al Barkouli David Evans and Associates

Brian Bayne GRI

Darren Beckstrand Cornforth Consultants

Brian Bierwagen Parametrix

Tim Blackwood Hart Crowser

Jason Bock GRI

We still need your support for 2016!

If you want our businesses to remain viable, your support of ACEC/PAC is vital as we enter the 2016 election cycle. [Click here for the contribution form for the Spring Raffle drawing](#) to be held in Washington DC in April 2015. Your \$50, \$100, or more contribution will help us reach our goal, but more importantly, go towards supporting and electing individuals from both parties who SUPPORT THE PRIVATE SECTOR.

Thanks in advance for your support, and please make your contribution to ACEC/PAC today!!!

11 Regional Forums across the state
January to March

Attend Governor’s Transportation Meetings

The Governor’s Transportation Vision Panel will host a series of eleven regional forums across the state. These two-hour forums will provide an opportunity to seek local input and solutions to the regional needs and priorities of Oregon’s transportation system.

This is a great opportunity to explain why Oregon needs additional transportation funding.
