Thank you to the following firms for their recent donations to the scholarship fund:

Consider joining your fellow member firms in creating a named scholarship for \$2,500, or making a donation to the general fund

The ACEC Oregon scholarship was created to encourage incoming freshmen to choose engineering as a major and to promote the consulting engineering profession.

The Scholarship Committee awards \$2,500 per year to undergraduate engineering students attending Oregon colleges and universities. The annual recipient may remain on scholarship for four years as long as they meet the eligibility criteria.

The ACEC Oregon Board of Directors and Scholarship Committee are asking member firms to boost the profession with a gift to the scholarship fund.
