CEO Breakfast with Metro President Lynn Peterson – March 31

This event for firm reps, CEOs, and other senior executives is a unique opportunity to meet and network with leaders of Oregon and southwest Washington engineering companies.

Metro President Lynn Peterson will speak to ACEC Oregon members on Tuesday, March 31.

Peterson’s presentation will provide an overview of the 2020 Transportation Investment measure, discuss the regional approach and importance of corridor-focused solutions, region-wide programs and how individuals can weigh in.

THANK YOU, SPONSOR!
From Doer to Leader: Lessons Learned – April 1

The Leadership Development (LD) series* culminates with a lively and candid session, featuring stories and insights from senior leaders on how to transition from doer to leader.

*One does not need to be a series registrant to attend. Each part of the series is a stand-alone program, though they do complement one another.

This facilitated session gives participants a chance to ask industry leaders questions concerning industry, practices and management.

It includes a review of key takeaways from past classes, and group problem solving and sharing strategies.
