Part 3 of the 2017-18 Leadership Development Series

(each program is a stand-alone program, though the programs do complement one another)

Business Development

WHO SHOULD ATTEND

This program is ideal for project managers, designers and engineers who are: Interested in a leadership track in their career

- Shifting their focus from projects to organizational and financial goals of the firm
- Challenged by competing priorities
- Being asked to take on more responsibilities with the same resources
- New to managing multiple or complex projects
- New to managing people and teams

Business Development

Developing skills in business development (BD) and marketing is key to career growth as a consultant. Join this conversation to delve in to specific areas of the BD life cycle, problem-solve some of the common challenges and identify steps to hone your BD skills and leadership.
