WHEN

9:00 to 11:00 A.M.

PRE-SESSION WORK

Go ahead and get a jump on learning how to manage time and relationships by enrolling yourself in ACEC OR Pocket Tools: Managing Time ([link will be provided upon registration](#)).

Look at the videos, do the challenges and log your success.

When the class meets on November 4, you'll have from 9:00 to 9:30 A.M. to catch up on any lessons you haven't done so we can discuss your progress, insights and challenges from 9:30 to 11:00 A.M. You'll revisit the concepts in

[Managing Time & Relationships](#) – November 4

Transitioning from doer to leader means you start to shift your focus on what you do during the day and how you interact with the people around you to increase your sphere of influence.

In this class, you'll learn to:

- Set a vision for yourself as a leader
- Create an actionable plan to get there
- Plan and prioritize your day
- Manage e-mail and meetings to keep yourself focused
- Delegate more tasks with greater confidence
- Build equity and accountability with your team
- Understand how each interaction affects your progress as a leader

[Click here for more info and to register.](#)

Zoom login credentials are included with the registration confirmation (and will also be sent again to registrants prior to the program).

Program is good for accruing 2.0 continuing professional development credits.

the online course, so be prepared by watching the videos before the class.

Membership Update – November 5

ACEC Oregon Lobbyist **Marshall Coba** will give an overview of state election results. Discussion of other current topics will be included.

Complimentary for ACEC Oregon members.

4:00 to 5:00 P.M.

[Click here to register.](#)

Zoom webinar login credentials are included with the registration confirmation (and will also be sent again to registrants prior to the program).

Engineering Excellence Awards

EEA 2021 Call for Entries – Intent to Enter deadline October 19

ENTER YOUR FIRM'S PROJECT FOR 2021!

Bring public attention to the outstanding work performed by engineering and land surveying firms through services to clients, state and society by entering ACEC Oregon's Engineering Excellence Awards (EEA) competition.

ELIGIBILITY: Any engineering or surveying firm is eligible to enter the awards program, regardless of whether the firm is a member of ACEC.

Projects entered in the competition may have been executed anywhere in the world. Entries must have been substantially completed and ready for use between November 1, 2018 and October 31, 2020.
