Legislative Preview Dinner

Plan to attend the ACEC legislative preview dinner to learn what to expect in 2017.

ACEC Oregon lobbyist Marshall Coba and a state legislator to be determined will discuss the 2017 legislative session. An active and involved membership will be needed to ensure our offensive and defensive capabilities are up to their potential.

As an organization, ACEC stays committed to keeping our membership informed on key issues of importance. This dinner will help set the stage for the next legislative session.

ACEC priorities for the 2017 legislative session include:

- Developing and passing a major transportation funding package prior to adjournment of the '17 session.
- Continued support for implementation of a statewide resiliency plan for seismic and tsunami preparedness and recovery.
- Bonding for seismic upgrades to schools and essential buildings.
