Managing Time & Relationships – November 17

Transitioning from doer to leader means you start to shift your focus on what you do during the day and how you interact with the people around you to increase your sphere of influence.

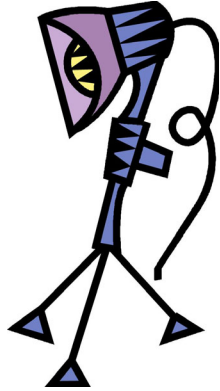

In this class you'll learn to:

- Set a vision for yourself as a leader
- Create an actionable plan to get there
- Plan and prioritize your day
- Manage e-mail and meetings to keep yourself focused
- Delegate more tasks with greater confidence
- Build equity and accountability with your team
- Understand how each interaction affects your progress as a leader

PRE-SESSION WORK

Get a jump on learning how to manage time and relationships by enrolling yourself in ACEC OR Pocket Tools: Managing Time (**link will be provided upon registration**). The session will revisit the concepts in the online course, so be prepared by watching the videos before the class.
