

AMERICAN COUNCIL OF ENGINEERING COMPANIES

ACEC / SW WA Public Agency Liaison Committee

MISSION STATEMENT:

To commit to a meaningful partnership between our organizations in the common purpose of providing quality and responsive consulting engineering services to the communities of southwest Washington.

Goals and objectives include:

- Facilitate a cooperative dialogue between southwest Washington agencies and ACEC.
- Foster an attitude that explores opportunities and resolves issues.
- Enhance professionalism and integrity throughout the design and construction industry.
- Promote quality and value through improved business practices.
- Invest in the future by promoting continuing education, new technology, and research and development.
- Promote the use of project delivery methods that best serve the public interest.

PRESENTATION Practical Design: Transforming Design Policy

As required by Engrossed Substitute House Bill 2012, WSDOT is moving forward with the development and implementation of Practical Design. Representatives from WSDOT will be providing a brief overview of Practical Design Policy and the application of practical design principals throughout all phases of project development.

PUBLIC AGENCY UPDATE:
Tim Leavitt, PE, Mayor, City of Vancouver

SAVE THE DATE!
NEXT MEETING: Thursday, April 28
Tilikum Crossing, Bridge of the People
with the project's lead design engineer
Norman Smit, PE, SE, Senior Associate
T.Y. Lin International
