

ACEC Oregon

The ACEC Oregon Scholarship awards \$2,500 per year to undergraduate engineering students at Oregon colleges and universities. The annual recipient may remain on scholarship for four years as long as they meet the eligibility criteria.

The scholarship was created to encourage incoming freshmen to choose engineering as a major and promote the consulting engineering profession.

Eligibility/Requirements:

- Must be either a graduating high school senior (including GED students and home-schooled seniors) or have had no previous college education.
- GPA: 3.30+
- SAT score: 1800+ combined SAT scores or ACT composite of 28+
- Major: Civil, electrical, environmental or mechanical engineering. Excludes computer and biomedical engineering.
- Career field (preference): Applicants interested in the consulting engineering profession.

The ACEC Oregon Board of Directors and Scholarship Committee are asking member firms to boost the profession with a gift to the ACEC Oregon scholarship fund.

Please consider a named scholarship for \$2,500, or a donation to the general fund.
